Royal Naval Officers Uniforms by Bernards

Cut and Tailored by skilled Bernard craftsmen from fine British cloths, Royal Naval Officers Uniforms express the degree of excellence sought by the discerning Naval Officer.

That is undoubtedly why more and more Officers are relying upon Bernards to meet their complete Uniform and Plain Clothes requirements.

Patterns and Prices, together with a Style book will gladly be sent on request, while an appointment for a representative to call on you will gladly be arranged by a Branch Manager or through Head Office.

Whenever YOU have a Clothing requirement remember that YOU Really Do Buy Better at Bernards.

The Navy List is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service, but, as errors may occasionally occur, Their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any entry in the Navy List.

By Command of Their Lordships,
J. G. LANG.

NOTES

Officers and others who may notice errors or omissions in the List are invited to communicate direct with

THE SECRETARY OF THE ADMIRALTY,
(Editor of the Navy List) London, S.W.1,

mentioning the ship or page affected. Communications should be marked " On Her Majesty's Service ", and need not be stamped.

WITH EFFECT FROM 7TH MARCH, 1955, THE USE OF THE SUFFIXES (E), (L) AND (S) FOR OFFICERS OF THE ENGINEERING, ELECTRICAL AND SUPPLY AND SECRETARIAT BRANCHES OF THE R.N., R.N.R. AND R.N.V.R. CEASED, EXCEPT FOR BRANCH LIST OFFICERS OF ALL RANKS INCLUDING LIEUTENANTS AND ABOVE.

THESE CHANGES ARE NOT REFLECTED IN THIS ISSUE OF THE NAVY LIST.

The Seniority Lists of Officers on the Retired and Emergency Lists are published annually in July in a special sale edition of the Navy List. Otherwise this Navy List includes all retired and emergency Officers serving.

The rates of pay, regulations, &c., are contained in a separate publication entitled " Appendix to the Navy List ", which is published in June and December.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the Secretary of the Admiralty, in order that the necessary alterations may be made in the Navy List and in the official records of the Admiralty.

The degrees shown after Officers' names in the Navy List are not necessarily a complete list of those held, but generally speaking, are confined to degrees of an honorary nature conferred specially upon an Officer and those which are so related to the professional duties of an Officer as to give some indication of his professional qualifications.

The above list is issued for the information of Captains of Her Majesty's Ships with reference to the provisions of Article 1252 of the Queen's Regulations and Admiralty Instructions, under which they are authorised to ascertain whether British Merchant Ships (including Fishing Vessels) flying the Blue Engign of Her Majesty's Fleet are legally entitled to do so.

2. The detailed regulations issued by the Admiralty and the Ministry of Transport and Civil Aviation lay down the following conditions relative to the wearing of the Blue Ensign :—

The Blue Ensign *is not to be worn if*—

(*a*) from any circumstances, the Officer to whom the Admiralty Warrant was issued is not in command of the ship ;

(*b*) the number of persons qualifying as " reservists " (*see Note* below), in addition to the Commanding Officer, is less than the following requirements :—

(i) four reservists, or

(ii) three reservists, if two departments of the deck, engine room or catering departments are wholly manned by ratings ineligible on grounds of nationality or citizenship to join the Naval Reserves, or

(iii) two reservists, if all three of the departments are so manned,

unless it can be shown by the endorsements on the Agreement or by entries in the official log, that the reduction in the number has been caused by death, sickness, desertion, or joining a British Man of War, or by some unavoidable casualty.

3. Commodores on the active or retired lists of the Royal Naval Reserve or Commonwealth Naval Reserves qualify for the privilege in their own right, without the requirement of a number of reservists.

4. Article 1252 of Queen's Regulations and Admiralty Instructions prescribes the action to be taken by the Captain of one of Her Majesty's Ships if a merchant ship is found to be wearing the Blue Ensign without the Admiralty Warrant or otherwise not complying with the foregoing regulations.

Note.—" Reservists " can include Officers and men of the Royal Naval Reserve or of a Commonwealth Naval Reserve, time-expired ratings who have completed 20 years service in the Royal Naval Reserve, members of the Royal Naval Special Reserve, Officers on the retired or emergency lists of the Royal Navy or of a Commonwealth Navy, men belonging to the Royal Fleet Reserve and Royal Naval pensioners.

THE NORE R.N. & R.M. CHILDREN'S TRUST

THE COMMANDING OFFICER, ROYAL MARINES, MELVILLE BARRACKS, CHATHAM

THE children of the Trust are sent to, and supported at, various homes and schools, and the Pembroke House building itself has been closed. This step has been taken in view of the rising cost of maintaining the Home and the declining number of children requiring it, which together raised the cost per child to a figure commensurate with education at a good boarding school.
The Trust Charity Fund continues to provide for the fatherless and motherless children of men of the Royal Navy and Royal Marines, and ensures them a practical training; to maintain, clothe and educate them to earn their own livelihood. Every effort is made to secure good situations for them on leaving the care of the Trust.
All denominations are accepted, and orphans of men of the Royal Naval Reserve and Royal Naval Volunteer Reserve who have lost their lives whilst on duty in the Royal Navy are equally eligible with men of the Royal Navy.
The extent of the good work of the Trust depends on voluntary contributions, and all donations will be gratefully received. Donations and correspondence should be addressed to: The Secretary, The Nore R.N. & R.M. Children's Trust, Royal Naval Barracks, Chatham.

THE WILLIAM SIMPSON'S HOME (Plean, Stirlingshire)

A Home at Plean, Stirlingshire, for old men in good health, a preference being normally given to those who have served in the Navy or Army.

The Home is situated within its own policy grounds of some 15 acres, and on a bus route about 5½ miles from Stirling.

To qualify for admission to the Home, it is not necessary for applicants to provide any clothing, or to contribute towards the cost of their maintenance. If they are in receipt of the Old Age Contributory Pension or of any other form of pension or private means, they must surrender the Old Age Pension, or its equivalent, to be employed by the Trustees as part of the revenue of the Home, but they will be allowed to retain any balance for their own personal use. Subject to this, their entire maintenance, including board and clothing, is provided free of cost by the Trust. The present practice, which the Trustees reserve power to vary or discontinue at any time, is to give each man an allowance of tobacco and pocket money.

Applications for admission to the Home, or for further particulars, should be made to the Treasurer :—10, ATHOLL CRESCENT, EDINBURGH, 3

BOYS HELPED TO GO TO SEA

The purpose of this Charity is to help poor boys of good character to go to sea, either by making grants towards their pre-sea training, their outfit of uniform on going to sea, or by giving advice when needed on the most suitable steps for a boy to take with the object of ultimately going to sea in the Royal or Merchant Navies. Apart from local educational authorities the Marine Society is by far the largest benefactor on these lines. Nearly 400 boys were helped to make the sea their career during the year 1952.

NAVAL OFFICERS' WIDOWS AND ORPHANS

The Marine Society also administers two funds, namely, the Hawkins Trust for the relief of widows of Naval Officers, Lieutenants and above, and the Kelly Holdsworth Trust for the benefit of widows or orphans of Naval Officers of and above the rank of Commander (Executive Branch). Applications for grants from these funds should be made annually during the months of May and November respectively.

HICKES TRUST

A small sum is also available for distribution annually under the Hickes Trust for helping to fit poor girls to useful trades.

Further information, and advice on how to go to sea in the Merchant Navy, can be obtained from the Secretary, who will also gladly acknowledge contributions at

LORD KITCHENER NATIONAL MEMORIAL FUND

President—The Most Hon. The Marquess of Salisbury, K.G., P.C.

KITCHENER SCHOLARSHIPS

These were instituted in 1918 to give assistance in University courses as a memorial to Field Marshal Earl Kitchener of Khartoum after his death by enemy action in 1916, from the fund raised by public subscription to commemorate his services and incorporated by Royal Charter as the Lord Kitchener National Memorial Fund.

Kitchener Scholarships are awarded annually, by competitive selection—

(*a*) to sons of Officers and men and women or of ex-Officers and men or women with war service in the Royal Navy, Army or the Royal Air Force, who are over 17 and under 20 years of age on 1st January of the year of competing (but the Committee may consider applicants over 20 who had before that age begun an approved course) or who, if they had done Regular or National Service, are under 30 years of age on 1st January of the year of competing ;

(*b*) to applicants of male sex under 30 years of age on 1st January of the competing year who have served in war in the Royal Navy, Army or the Royal Air Force.

Since 1945 the fund has received valuable assistance from King George's Fund for Sailors and the Army Benevolent Fund in carrying out this object. Since 1951 it has administered also for the King George's Fund for Sailors, the male section of the South African Women's Auxiliary Service Memorial Scholarships, under similar conditions, but for service in the Royal Navy only.

KITCHENER MEDICAL SERVICES SCHOLARSHIPS

These Scholarships, for which the money is provided by the services, are awarded similarly each year by competitive selection ;

(*a*) to sons of Officers and men or women or of ex-Officers and men or women of Her Majesty's Regular Forces ;

(*b*) to sons of Officers and men or women or ex-officers and men or women of the Reserve and Auxiliary Forces who served in the Great War of 1914–18 and/or the World War of 1939–45, who are over 17 and under 20 years of age on 1st January of the year of competing (but the Committee may consider applicants over 20 who had before that age begun an approved medical course) and who require financial assistance to undergo a course of medical education with a view to obtaining commissions in the Medical Branches of the Royal Navy, Army or the Royal Air Force.

The Scholarships are granted on the conditions that the scholar, on becoming qualified to practice medicine and surgery, will apply at once for a commission, under current regulations, in the Medical Branch of the Service for which he was selected and that if granted such a commission, he will render not less than five years' actual service on full pay ; if, however, he does not continue in the service and serve for at least 15 years, the money spent by the Service on his Scholarship will be deducted from any gratuity that may be due to him on relinquishing his commission.

Applications for both classes of Scholarships can be received only in January or February each year, and must be made on an application form obtainable during those months from The Secretary, Lord Kitchener National Memorial Fund, 50, Pall Mall, London, S.W.1.
